

THE ADAM PRACTICE

Parking Scheme at Poole Surgery, 117 Longfleet Road

At Poole Surgery we have recently contracted with a company who run a parking scheme for us, to enable our patients and genuine visitors to park whilst in the surgery. Please ensure you enter your vehicle registration number on the tablet at reception when using the surgery or pharmacy. This must be done at every visit.

If you have received a penalty charge notice, which you wish to appeal, please follow the instructions on the notice.

Please be aware our receptionists are not permitted to discuss car parking issues, either by telephone or in person. We must ensure our receptionists are available to deal with reception tasks, e.g. booking appointments, processing prescriptions and other clinical matters.

Best wishes,

The Adam Practice
