

Dorset Diabetic Eye Screening Programme

From 1 April 2017, the Diabetic Eye Screening Service in Dorset will be administered by a new provider, Health Intelligence. All patients who use the Diabetic Eye Screening Service, will be contacted inviting them to attend their next screening appointment.

If you use this service, you do not need to take any specific actions

NHS England will ensure that your individual data and screening history is held securely and only accessible by the healthcare professionals directly involved in your care. Health Intelligence will only access information that is relevant to your individual healthcare. The information will not be used for any other purpose.

For further information please call your current Diabetic Eye Screening Booking Office
